Ms. Bailey,

Thank you so much for your recent email. I have more information to upload to the D.O.R.A. site (e.g., texts, even after opting out) and I understand I'll see a response there and I can study your guidelines and timetable. I wanted to forward this ASAP. And I wanted to tell them strongly yet politely again to please stop.

In terms of evidence, this was referenced but I wanted to provide this link at my blog again:

<https://pcpfeiffer.org/different-kind-of-insurance-fraud>.

I have much, much information. I believe these are huge issue for Colorado consumers. I look forward to doing whatever I can to aid you investigation.

Regards,

Peter Pfeiffer

I almost never read such titled and unknown email. Please stop the extortion.

This will be forwarded to D.O.R.A. and the Jefferson County Sheriff's Department where there are already open cases.

I do not and have never had a State Farm account or policy. Ms. Vanags cancelled it when caught trespassing and eavesdropping without remorse. See my 12/14/24 letter sent both to her and State Farm headquarters. You should have known when I was forced to contest the past non-refunded,

bogus charge you reference.

The D.O.R.A. investigator has been provided texts, email, and mailings. Please stop the harassment immediately.

Thank you,

Peter C. Pfeiffer

Hello Peter,

My name is Davesha Brown. I am with the State Farm Billing department. I am reaching out in regards to the concerns you shared with State Farm regarding you State Farm Billing account number 128-0798-964. Your inquiry was referred to me since this matter falls within my area of responsibility. Your account was reviewed for a refund and the following determination was made:

A payment in the amount of \$212.63 was made on 11/22/2024 Paid by Visa, account number ending with 7745.

The payment of \$212.63 was returned on 01/10/2025. There was only one payment made to the account and because that payment was returned no money was collected and no refund is due.

I understand this can be a lot of information and want to allow you time to review. Please feel free to reach out to me directly via email at davesha.brown.d9kq@statefarm.com with any additional questions or concerns you may have .

Thank you for choosing State Farm.
